

# Campaign Marengo

## Order of Battle Compendium

### Introduction

This Bonus document includes every OB file in Campaign Marengo except for the unit and leader review OB listings. The players will find this document useful for checking out the ratings not only of their own forces but for that of the enemy. A special thanks to Dominik Derwinski for the HTML report feature included in his OB Editor for the Napoleonic series.

### Features

The Table of Contents includes a hyperlink to each of the OB listings. The scenarios associated with the OB file is listed to the right. The scenarios in the main listing of the scenario list as well as the Bonus scenarios are referencenced.

### OB Listings

Each OB listing includes not only the organization and unit listings but also the manpower, total strength, morale grade, leadership and command ratings.

### Command and Leadership Ratings:
